

EventHub Knowledge Base

About EventHub

EventHub organizes short online learning events such as webinars and workshops. Events focus on practical skills, emerging technologies, and productivity topics.

All events are held **online via Zoom** and usually last **60–90 minutes**.

Participants can interact with speakers and ask questions during the session.

Registration Process

Participants must provide **name and email** to register.

After registration:

- a **confirmation email** is sent automatically
- the email contains the **Zoom link**

Additional rules:

- each event has **100 seats**
- registration closes **1 hour before the event**
- if the event is full, users can join a **waiting list**

If a participant cannot attend the live session, they will receive a **recording within 24 hours**.
